2.5. Review methods or procedures for the RRPTs

For transactions of a value above RM250,000 and up to RM2,000,000, approval from the Exco Committee (which consists of the Group Managing Director, President cum Chief Executive Officer and Group Finance Director) is required. If during the review, the ARMC is of the opinion that the guidelines and procedures are not sufficient to ensure that the RRPTs will be conducted on normal commercial terms in the ordinary course of business and are on terms not more favourable to the Related Parties than those generally available to the public and are not detrimental to the minority shareholders or be disadvantageous to the Company, the Company will obtain a fresh shareholders' mandate based on new guidelines and procedures.

Transactions with any Related Parties which do not fall within the ambit of the Proposed Mandate, will be subject to other applicable provisions of the Listing Requirements, the Act and/or any applicable law.

2.7. Disclosure of RRPTs

If the Proposed Mandate is approved, disclosure will be made of the breakdown of the aggregate value of RRPTs conducted pursuant to the Proposed Mandate during the financial year based on the following information in the Company's Annual Report 2022 and in the Annual Reports for subsequent financial years that the Proposed Mandate continues to be in force:

The Group has in place adequate procedures and processes to monitor, track and identify RRPTs in a timely and orderly manner, and these procedures and processes are reviewed annually.
